

Heaps Good Wine Company Sivi Pinot 2016

Nick van Heaps Good Wine Co is always looking for the purest and finest expressions of a grape. In this case, that means a pinot gris in your glass like you have rarely tasted. Fresh, mineral and full of tension. Fruity tones in the citrus register complemented by fresh white stone fruit. A streak of smokiness from the wood maturation completes the picture. Pinot Gris with storage potential.

12.71 € ~~16.94€~~
