

Marko Fon Vitovska 2020

The grape whisperer. That is the nickname that immediately came to mind after a visit to Marko's winery. Marko lives among his vines; and treats them as well as his children. And that results in beautiful wines.

Vitovska with a capital V. This grape is native to the Karst region in Slovenia; where exceptionally beautiful wines are made with it. Every sniff, every sip is a discovery. Juicy, energetic, rich, complex, elegant & with an incredible length. For lovers of Great Wine.
